LET *Columbus* GUIDE YOU OFF THE BEATEN TRACK

Columbus Travel publishes stories about the most beautiful, unspoilt and adventurous places on earth. This doesn't necessarily entail faraway and exotic locations – we also aim to share exciting travel destinations and experiences that do not require a lot of time and effort.

On every trip, we think it is essential to avoid the crowds. After all, you can only really experience the magic of a place by becoming one with your environment and (re)connecting yourself with nature and the local population.

With our experiences and tips we hope to offer you inspiration to make your next trip extra special and, moreover, to enable you to grow as a human being. The best off-the-beaten-track journeys allow you to gain insights that enrich your life and the world around you.

The Columbus editorial team uses social media and podcasts as interactive elements of extensive campaigns. In Instagram Stories for national tourism offices, for example, polls and quizzes are included that link to campaign pages and competitions on our website, while podcasts give the features in our print magazine and the articles on our website an added dimension.

Columbus TRAVEL | OUR CUSTOM CONTENT & SERVICES

CUSTOM CONTENT

Columbus has **15 years of hands-on experience in designing, implementing and measuring campaigns and products for advertising partners.** You can **opt for stand-alone products** for your own customers or target group, or **combine them with ads on our website and social media and in our print magazine.** Just last year, we put together brochures about specific travel destinations and e-zines with video content as a promotional gift. Our editors supervise the entire process and always think out-of-the-box. As a customer you can also use **the full product range of New Skool Media**, the parent company of Columbus Travel. As the second publisher in the Netherlands, New Skool Media has an unrivaled niche market reach with 18 special-interest magazines.

INSERTS & SUPPLEMENTS

Does your service or product deserve more attention than can be summarized in a few pages? We'd be happy to come up with special solutions to fit your needs. Choose from **stand-alone print products such as brochures and mini guides** that may be inserted into one of our regular editions, or a **special supplement or section** in one of those editions.

E-BOOKS & E-ZINES

Our editors can put together **entire digital magazines and books** for you, with video and interactive elements such as forms and maps if required. We'd be happy to help you reach your target group with your own e-book or e-zine or improve interaction with your existing customer base or relationships.

ONLINE QUIZZES

Columbus can use its own extensive image database and story archive - or build on your own material - to create engaging online quiz formats. The value of a quiz is manifold:

Branding Create a highly engaging and memorable user experience for your services or products

Data collection and analysis Gain insights into the wants and needs of your target audience: their knowledge (or lack thereof) of topics can help you make business decisions and drive your media & PR strategy

Lead generation Add questions to collect user contact and profile information you can use for follow-up communication and business transactions

Traffic boost Include links to articles and multimedia on your own online channels to help boost traffic and familiarize your target audience with your own native online environment. What's more, the quiz can easily be embedded into your own website, social media and e-mail newsletter application by copying a simple piece of code.

A few examples of our quizzes

During the corona crisis, many avid travelers miss exploring far-away places. To help raise awareness about the many wonderful travel destinations right on their doorstep, we created a photo quiz inviting people to identify European locations and attractions with an uncanny resemblance to more exotic destinations. This quiz was accompanied by a photo competition, which allowed travelers to share photos of European travel experiences that have doppelgängers somewhere else in the world.

To promote the new season of *Reizen Waes*, a popular travel show in Belgium and the Netherlands, we created an online quiz about destinations featured in the show. To make the quiz even more dynamic, we added videos participants had to view to find the right answer to a particular question. Videos can also be added as a background to create a wholly immersive experience.
